

**Attachment No. 1 to the Regulations of the Doctoral School**

**INDIVIDUAL RESEARCH PLAN COVERING THE PERIOD OF STUDY IN THE DOCTORAL SCHOOL**

**PART I. GENERAL INFORMATION**

|  |  |
|--|--|
| First and last name of the doctoral student                  |  |
| Doctoral Student ID number                                   |  |
| Field/discipline of science or art                           |  |
| First and last name of the supervisor(s)                     |  |
| First and last name of the assistant supervisor <sup>1</sup> |  |

**PART II. RESEARCH TOPIC OF THE DOCTORAL DISSERTATION (up to 1500 characters)**

.....  
.....  
.....  
.....  
.....

**PART III. AN OUTLINE OF THE CURRENT STATE OF RESEARCH REGARDING THE ISSUES ADDRESSED IN THE DOCTORAL DISSERTATION, INCLUDING THE LITERATURE REVIEW (up to 2000 characters)**

.....  
.....  
.....  
.....  
.....

**PART IV. THESIS, HYPOTHESES, AND RESEARCH QUESTIONS**

.....  
.....  
.....  
.....  
.....

**PART V. RESEARCH METHODS**

.....  
.....  
.....  
.....  
.....

---

<sup>1</sup> In case of appointing an assistant supervisor

**PART VI. DETAILED RESEARCH PLAN COVERING THE PERIOD OF EDUCATION IN THE DOCTORAL SCHOOL**

| Year of education | Name of the research, artistic, or project task <sup>2</sup> | Planned period of implementation | Planned source of funding |
|-------------------|--|----------------------------------|---------------------------|
|                   |  |                                  |                           |
|                   |  |                                  |                           |
|                   |  |                                  |                           |

**PART VII. PLANNED EFFECTS OF RESEARCH, ARTISTIC, OR PROJECT ACTIVITIES**

*e.g. publications, presentation of results at scientific conferences, submission of research funding applications to external institutions, organization of scientific conferences*

| Year of education | Outcomes of research, artistic, or project activities | Planned period of implementation |
|-------------------|---|----------------------------------|
|                   |   |                                  |
|                   |   |                                  |
|                   |   |                                  |

**PART VIII. SCHEDULE OF PREPARATION OF THE DOCTORAL DISSERTATION**

| Year of education | Stages of preparing the doctoral dissertation <sup>3</sup> , including the deadline for its submission | Period of implementation |
|-------------------|--|--------------------------|
|                   |  |                          |
|                   |  |                          |
|                   |  |                          |
|                   |  |                          |

**PART IX. DEFINITION OF RESEARCH RISK AND METHODS OF MINIMIZING ITS CONSEQUENCES**

.....  
 .....  
 .....  
 .....  
 .....

**PART X. SIGNIFICANCE OF THE PLANNED RESEARCH**

.....  
 .....  
 .....  
 .....  
 .....

---

<sup>2</sup> You need to identify a research, artistic, or project task that can be carried out within the framework of a research grant funded from external sources.

<sup>3</sup> Taking into account the preparation of an artistic or project work.

**PART XI. DETERMINATION OF THE FORM AND LANGUAGE OF THE DOCTORAL DISSERTATION**

.....  
 .....  
 .....  
 .....  
 .....

**PART XII. PLAN OF ACTIVITIES AIMED AT ENHANCING THE COMPETENCES OF THE DOCTORAL STUDENT FOR RESEARCH OR RESEARCH-DEVELOPMENT WORK OR ARTISTIC OR PROJECT ACTIVITIES**

*e.g. academic mobility, attending specialized courses or training related to enhancing the competences of the doctoral student in presenting R&D results, entrepreneurship, intellectual property, project management, etc.*

| Year of education | Activity | Planned period of implementation | Planned source of funding |
|-------------------|----------|----------------------------------|---------------------------|
|                   |          |                                  |                           |
|                   |          |                                  |                           |
|                   |          |                                  |                           |

.....  
*(Date and legible signature of the doctoral student)*

Opinion of the assistant supervisor:

.....  
 .....  
 .....  
 .....  
 .....  
 .....

.....  
*(Date and clear signature of the assistant supervisor)*

The individual research plan has been prepared in agreement with the supervisor(s).
