

MID-TERM REPORT ON THE IMPLEMENTATION OF THE INDIVIDUAL RESEARCH PLAN ¹

PART I. GENERAL INFORMATION

First name and last name of Doctoral Student	
Doctoral Student ID number	
Field/discipline of science or art	
First and last name of supervisor(s)	
First and last name of assistant supervisor ²	

PART II. STAGES OF DOCTORAL THESIS PREPARATION

Topic and plan of the doctoral thesis		
Title of the doctoral thesis		
Description of the research problem		
Research methods		
Preliminary bibliography		
Year of study	Stages of thesis preparation	Period of implementation

¹ The report with attachments must be submitted in paper form (bound document) and electronically (on an external drive, in a single PDF file)

² in case of appointment of an assistant supervisor

PART III. COMPLETED RESEARCH TASKS WITHIN THE INDIVIDUAL RESEARCH PLAN

Year of study	Name of research or artistic task	Task completion period	Achievement of task outcome ³

PART IV. EFFECTS OF RESEARCH ACTIVITY – ACTIVITIES IMPROVING THE DOCTORAL STUDENT'S COMPETENCIES FOR RESEARCH, DEVELOPMENT, ARTISTIC OR PROJECT WORK

Year of study	Activity	Implementation period

PART V. ADDITIONAL INFORMATION REGARDING THE IMPLEMENTATION OF THE INDIVIDUAL RESEARCH PLAN

.....

.....
(date and clear signature of the doctoral student)

.....
(date and clear signature of the supervisor/supervisors)

³

The report should include, in paper and electronic form, on an external drive (in the layout proposed below):

- list of publications with full bibliographic records, including ISBN, ISSN, DOI numbers (documented in the form of photocopies/scans in electronic form of scientific articles, monographs, chapters in monographs, or confirmations from the publisher of publication acceptance)
- list of conferences, poster sessions (documented in the form of conference information from the website, confirmation of active participation),
- confirmation of internship completion,
- confirmation of participation in organizing scientific conferences,
- confirmation of submitting a research funding application to an external institution or contract number for a grant project or portfolio containing public disclosures of artistic activities,
- confirmation of receiving funds for research from the University,
- confirmation of participation in scientific or artistic projects,
- description of queries,
- photocopies of documents confirming the acquisition of competencies, e.g., certificate, participation in training/course,
- list of other activities
- multimedia presentation, including the doctoral thesis plan, discussion of research issues, research methods.

Document layout:

1. Title page with student data.
2. Mid-term report.
3. Printout of multimedia presentation.
4. List of publications.
5. List of scientific activities:
 - conferences,
 - poster sessions,
 - internships,
 - conference organization,
 - research projects (applications for research funding to external institutions or portfolios containing public disclosures of artistic activities: funds for research from the University),
 - queries,
 - courses, training,
 - other.
6. Description of artistic activity with a list of activities.
7. Confirmations of organizational activities for the academic community and science popularization.
